In today's digital age, the internet and smartphones have become an integral part of our lives. While the rapid growth of information technology offers immense knowledge and opportunities for children, it also harbors numerous dangers and hidden traps in the online world. Recognizing this, a comprehensive Cyber Safety and Security Workshop was organized at

Mother Theresa CBSE School in Lingapuram, Peddapanjani, to educate students on the safe use of the internet. The school management orchestrated this workshop under the highly relevant theme, "Cyber Smart Today, Safer Tomorrow."

The grand event commenced with the lighting of the traditional lamp on a specially prepared stage on the school campus. Presided over by the School Principal, Mr. David Bercamans the ceremony was graced by the presence of School Coordinator Shyamala and Kindergarten Coordinator Jona Ma'am. Students and teachers warmly welcomed the distinguished police officers, and students dressed in traditional dance attire honored them with bouquets. The entire student body participated in the program with great enthusiasm and strict discipline.

The main highlight of the cyber security awareness program was the classes led by prominent police officers, Mr. Suresh Babu and Mr. Parasuramudu.

They explained the concepts simply and effectively to ensure they resonated with the children. The officers spoke at length about the various challenges children face on social media today. They detailed the basic safety protocols to follow while using platforms like online games, Facebook, and Instagram, and issued a strict warning about the severe risks of sharing personal information, passwords, and photographs with strangers.

Mr. Suresh Babu and Mr. Parasuramudu reminded the students to remain vigilant in an era where crimes like online financial fraud, cyberbullying, and character assassination are increasing daily. They advised against clicking on unfamiliar links and taught the students how to identify fake profiles. Furthermore, they emphasized the critical need to immediately report any online threats or suspicious interactions to parents, teachers, or the police, rather than hiding them out of fear. Their guidance on how to behave

responsibly and respectfully in the digital world provided a significant realization for the students.

This highly informative class instilled great confidence and energy in the students to navigate the internet safely. The school management specially honored the distinguished guests, Mr. Suresh Babu and Mr. Parasuramudu, for dedicating their valuable official time to conduct

Exciting Inter-House Junior Kabaddi Competition at Mother Theresa CBSE School

Muthukur: An exciting Inter-House Junior Kabaddi Competition was organized at Mother Theresa CBSE School, Lingapuram, showcasing the sporting excellence and agility of the students. This kabaddi extravaganza was held on the school ground under the excellent leadership of teacher Sookshma Ma'am. Representing various houses, boys and girls enthusiastically stepped onto the field wearing jerseys in attractive colors like red, blue, yellow, and green. Students sitting together enthusiastically along the boundaries of the field,

cheering for their friends, added immense energy to this sports meet.

The field literally witnessed a grand display of beautiful kabaddi tricks. The boys' category saw excellent raids and powerful tackles. The children executed astonishing kabaddi tricks on the ground, such as expertly dodging through opponents and making jump escapes over the defense line. In response, powerful blocks where multiple defenders surrounded and overpowered the raider also filled the ground with excitement. Teachers acted as referees and controlled each match with great precision.

The girls' matches were equally fierce and competitive. Girls could be seen beautifully executing the 'hand touch' trick, going on high-

speed raids and effortlessly getting opponents out by reaching out their hands. Similarly, the 'chain tackle' formation, where they linked hands to form a strong chain during defense, became another major attraction of these matches. Powerful tackles holding the raider firmly around the waist to prevent them from moving forward won applause from everyone.

Sushma Ma'am's precise instructions and coordination made these matches a complete success. Beyond mere victories and defeats in a competition, this junior kabaddi tournament showcased each student's physical fitness, presence of mind, and team spirit. Organized by providing equal opportunities to all children, this competition became one of the finest chapters in the school's sports history.
