SUBJECT- FARMING FIELD TRIP FOR GRADE-7

Dear Parents,

Greetings!

We are excited to announce an educational and experiential field trip for our Grade-7 students to a local farm to foster an understanding of the agricultural process and its importance. This trip aims to provide our students with hands-on learning about where their food comes from.

Details of the Field Trip:

Date: August 26, 2025.

Time: Within the school hours.

Purpose: To observe farming practices, learn about different crops and farming techniques and understand the farmer's daily life and challenges.

Activities Include:

1. Farm tour with the farmer.
2. Hands-on activities like planting or harvesting
3. Learning about the irrigation system.
4. Observation of farm animals and crops.

Clothing:

1. Students should come in comfortable, loose-fitting clothes (preferably T- shirts and pants) and carry their Uniform to change after they return from farm.
2. Avoid wearing expensive or delicate clothing as the activity involves working with soil and water

We believe this field trip will be a valuable learning experience for the students, offering practical insights into the world of agriculture that cannot be gained in the classroom.

Warm Regards,

Principal
