what people say.*

Karl Marx (1818–1883) was a German philosopher, economist, and revolutionary socialist. He revolutionized social and political theory by analyzing class struggles inherent to capitalism and advocating for a classless, communist society. His ideas continue to shape modern discourse on labor, wealth, and inequality.

“The Beautiful thing about learning is that no one can take it away from you.”

It is my pleasure to welcome you to one of the finest educational institutions. As parents, selecting a school for your child is one of the most significant decisions you will make. We are strongly committed to ensuring that every day, each student receives the extraordinary care that is the aim of Mother Theresa School.

At Mother Theresa, it is our mission to provide each student with an exemplary educational experience with an international perspective. Mother Theresa School is recognised for its hallmark initiatives in academic excellence, environmental conservation, peace and value-based education, and community integration. Our students will receive a broad exposure through participation in diverse school activities and external programs, offering fruitful opportunities for learning and overall personality development. Our students can compete successfully with the best students in the world.

In addition, they exhibit strong character, leadership, resiliency, and show compassion for others. We are committed to ensuring that our students not only get a good education, but their experience with us will change their lives. I am honestly inspired by the possibilities that lie before our school this year and in the years to come.

“I wish all the Mother Theresians a successful and bright future.”

DR. M. RAVINDRA BABU

A GOLDEN YEAR OF HISTORIC ACHIEVEMENTS

For Mother Teresa CBSE School, the academic year that just passed is an extremely proud one, inscribed in golden letters on the pages of time. More than just an academic year, it concludes having witnessed numerous historical achievements and unforgettable golden moments. Focused on the all-round development of every student and spreading the light of knowledge, this period will always be remembered as one of the brightest chapters in the school's history. It was a time that emphasized the mental and intellectual development of the children, imparting love and care alongside knowledge.

The greatest measure of a school is indeed the academic excellence of its students. The 100% success our school achieved in the 10th standard public examinations this past year is not just a number; rather, it is a perfect reflection of the teachers' dedication, the students' hard work, and the boundless support of the parents. The role of the teachers—who understood each child's learning level, provided them with the necessary personal attention, and empowered them to climb the steps of success—is incredibly significant here. This absolute victory serves as a great inspiration for the generations to come.

What distinguishes Mother Teresa School from many other institutions is our unique approach toward our students. In today's competitive world, we often see a tendency to impose excessive mental pressure on children in the name of academics. However, we have never been willing to force any such pressure upon our students. We are guided by the firm belief that learning should never become a burden, but rather an enjoyable experience. Alongside education, we provided the necessary time and facilities for entertainment and other extracurricular activities appropriate for their age. We witnessed them acquiring knowledge with smiles and playfulness, entirely free from mental stress.

Beyond the knowledge found within the pages of books, the school gave equal importance to other areas essential for a child's overall personality development. The performance of our children in the fields of sports, art, dance, and music was exceptionally praiseworthy. Creating waves of excitement at sports meets, they proved their strength and athleticism on the tracks and fields. Similarly, they were able to literally transform the school arts festivals into a vibrant celebration with the melody of songs and the rhythm of dance. We view it as one of this year's greatest achievements that we were able to discover the dormant creative talents within each child and provide them with excellent platforms to shine.

What brought the most happiness during the last academic year was the active participation from the children. Regardless of the field, they stepped forward wholeheartedly and with immense enthusiasm. Their positive energy made the entire atmosphere of the school incredibly vibrant. Every moment that passed last year has already been etched as beautiful memories in the lives of these children.

If the past year was an excellent piece of history, what is yet to come is an even brighter future. There is no doubt that the growth of our students will continue to improve in the coming academic years. We will be able to stimulate their abilities and guide them by the hand to new heights. The days ahead will testify to how much they improve with each passing year, how broadly their personalities develop, and how capable they are of bringing out their 100% excellence. Our children have immense potential; they can most certainly achieve it. As a guiding light and a sheltering tree, Mother Teresa CBSE School will always stand by them. As another golden year of creating history fades behind the curtain of time, let us prepare with full confidence to welcome a new academic year filled with new dreams and new goals.

Changing World, Changing Classrooms: Teachers of Mother Theresa School Ready for the New Academic Year

Ahead of stepping into the new academic year, a comprehensive training program was organized for all the teachers at Mother Theresa CBSE School. This workshop included everyone, from kindergarten teachers to those handling senior classes. Titled "CHANGING WORLD, CHANGING CLASSROOMS: A NEW-AGE EDUCATION WORKSHOP," the program was designed to equip teachers to adapt to contemporary changes. By integrating modern technology with psychological approaches, this training served as a great asset for the entire teaching staff.

Understanding the New Generation through the 'Cone of Learning'

During the main sessions held in the setting of smart classrooms, teachers were provided with scientific insights into the learning methods of children. Using a smartboard, experts based their class on 'The Cone of Learning,' explaining how children learn things quickly and retain them in their memory. Going beyond mere reading and listening, the experts demonstrated how to implement practical learning methods in all classrooms where students learn by seeing, hearing, and doing. The session placed special emphasis on the necessity of imparting knowledge to children through

audio-visual media.

Small Group Discussions and Practical Training

The next phase of the training was conducted in a very simple yet effective manner by dividing all the teachers into smaller groups. The teachers received in-depth training on how to structure the curriculum for each class in a way that supports the mental and physical growth of children across different age groups. Detailed discussions were held on how to make learning fun—through songs and

games for younger children, and through practical activities for the older students.

An Interactive Workshop Ensuring Active Teacher Participation

Rather than being a one-sided lecture, this training program ensured the active participation of the teachers. The teachers were introduced to new study materials, modern workbooks, and activity kits, and they received hands-on practice on how to use them effectively in the classrooms. They were given the opportunity to share their past experiences and clarify any doubts they had regarding handling the new generation of students. Through this workshop, everyone came to the realization that teachers themselves must constantly update their knowledge to help modern children develop the necessary skills.

The School is Fully Prepared to Welcome the Students

The new knowledge and energy gained from this training program will bring about significant positive changes in all the classrooms during the new academic year. Teachers are now much more confident in providing personalized attention by understanding the unique abilities and limitations of each child. This workshop empowered them to step beyond the traditional role of a teacher and become true friends and guides to their students. The teachers at Mother Theresa School are now fully equipped and ready to welcome all students, from kindergarten to the senior classes, in the best possible way and to provide them with a joyful and bright school life.

The First Step into the World of Knowledge

Mother Theresa CBSE School celebrated the first day of its kindergarten students in a very colorful manner. The school courtyard was all set to welcome these little ones taking giant steps with their tiny feet. The teachers and school management received the toddlers, who were entering the world of letters for the first time, with bright smiles.

At the entrance of the school, the words "FIRST DAY OF SCHOOL" were displayed in large letters. These words brought equal excitement and joy to both the children and the parents. The school authorities took special care to make their very first step into the school a beautiful memory.

"Where tiny shoes take giant steps - The first day of kindergarten."

Teachers were waiting at the very doorstep of the school to receive the children. Dressed in their uniforms, the teachers welcomed each child into the classrooms with great love and care. The teachers' interactions were designed so well that the children did not feel the difficulty of being separated from their parents.

The teachers exchanged pleasantries with the children and provided all the help they needed. Through this warm welcome, the teachers were able to provide a sense of security to the children who were entering a new environment. They had prepared various games and songs to bring smiles to the children's faces.

The school premises were beautifully decorated to attract the children. Large paper flowers and various colorful decorations made the school courtyard even more appealing. The large red and green flowers were a sight of great curiosity for the kids.

The classrooms and surroundings were arranged in a way suitable for the children's age. The colorful sights all around greatly helped in dispelling the fear and anxiety in the children. These decorations played a major role in helping them quickly adapt to their new surroundings.

Beautiful first-day sights that will forever remain unfading in the children's minds.

The teachers welcomed every child who arrived at the school by giving them specially prepared gifts. Cards with smiley faces, stars, and small heart-shaped gifts were handed out to the kids. These little presents brought immense joy to the children's faces.

As soon as they received the gifts in their hands, all the children's sorrows vanished, and they became thrilled. They showed each other the gifts they received and shared their happiness. These gifts played a huge part in making the very first day such a beautiful experience.

To preserve the memories of the first day forever, a beautiful photo booth was set up at the school. The children took photos standing inside a special frame that read "FIRST DAY OF SCHOOL". The frame was designed incorporating images of pencils and cartoon characters.

Every child stood enthusiastically in the photo booth holding the gifts they had received. Capturing these innocent smiles and expressions on camera brought great joy to both the parents and teachers. When looking back in the future, these photos will turn into the most beautiful memories.

A thousand smiles of hope bloom in every frame.

Initially, some children felt the sadness of being separated from their parents for the first time. However, the colorful atmosphere of the school and the loving behavior of the teachers quickly took away their sorrow. Even the children who came crying started smiling and playing within a short time.

Once they received gifts and toys, the children completely blended in with the school atmosphere. It was a beautiful sight to see the faces of the children looking at the things happening around them with wonder. The patience and care of the teachers were of great help in bringing about this change.

The children who reached the classrooms were busy getting to know their new friends. Kids sitting together wearing the same uniform was one of the lovely sights at the school. By playing and laughing together, they quickly became friends.

They bonded by showing each other their gifts and sharing their stories. The foundation for a great friendship—to study, play, and grow together in the future—was laid there on this first day. This coming together of children offers a lot of hope.

New friendships, a new world - Kindergarten life begins.

It is natural for parents to have a little anxiety in their minds when their children go to school for the first time. However, seeing the loving interactions of the teachers at Mother Theresa School made all their worries disappear. They became fully convinced that their children were in safe hands.

Seeing their kids standing happily in the photo booth and rejoicing after receiving gifts brought great relief to the parents as well. On this very first day, they received the assurance that they had enrolled their children in an excellent educational institution.

Learning in kindergarten begins through games and songs. The teachers' goal is to create an interest in the school and learning before introducing the children to the world of books. The school authorities provided a great head start for this on the very first day.

The kindergarten curriculum is designed in a way that understands each child's abilities and encourages them. They are now going to acquire knowledge through a world full of colors, pictures, and sounds. This new journey will be a great experience for them.

Through play and laughter, into the vast world of knowledge...

This first day in kindergarten will be one of the most beautiful memories in these children's lives. The experiences of this day will help them come to school happily, without any fear. This excellent beginning provided by Mother Theresa School will be a strong foundation for their future education.

Wishing these little ones all the best in the new academic year. May they be able to climb the steps of knowledge and reach great heights. Let us hope that these giant steps they started taking with their tiny shoes will lead them to great success in the future.

Farewell to Holidays, Welcome to School

After a long summer vacation, children have reached the doorstep of the school once again. There was great enthusiasm evident in the school courtyard on the first day of the new academic year. Leaving behind the lethargy of the holidays and entering the new world of learning, the students of both senior and junior classes were welcomed with great joy by the school authorities. With the arrival of the children, the school courtyard became lively once again.

The programs on the first day of the new academic year began with a beautiful prayer. This prayer ceremony was organized by bringing together the students of the senior classes, who had returned to school after the holidays, and all the other students of the school. This gathering was able to fill everyone's minds with a sense of unity and bright hopes for the new year.

A New Beginning with a Prayer

An Inspiring First Assembly

Following the prayer, the first school assembly commenced. Addressing the students during the assembly, the Principal delivered a speech. Wishing everyone a happy new academic year, the Principal shared words that provided great comfort and confidence to the children. These words gave the children the strength to overcome any anxieties about studying after the vacation and to move forward energetically.

A Surprise Welcome Waiting for the Children

It was right after the prayer and assembly that the big surprise waiting for the children arrived. To welcome them and bring them joy, two large yellow teddy bears made their entrance. This completely unexpected welcome created great wonder and excitement among the children. This reception succeeded in turning the return to school after the holidays into a true celebration for the kids.

After the assembly, when the children reached their respective classrooms, these two large teddy

bears visited each classroom directly. When these big toys approached the children, who were sitting at their desks with their new books and bags, a wave of excitement spread through the rooms. They went up to each child, shared pleasantries, and happily interacted with them.

The excitement and happiness on the children's faces when they saw the teddy bears in the classrooms were indescribable. The children waved and smiled at them with pure joy. Even the kids who were a bit hesitant or shy about coming to school on the first day became completely happy upon seeing this fun sight. The smiles that bloomed on their faces brought immense joy to the teachers as well.

Along with the teddy bears' visit to the classrooms, the children in each class enthusiastically gathered together to take group photos. The teachers also joined in this happiness. The sight of the children, dressed in their uniforms and colorful clothes, standing and smiling joyfully alongside these large toys in the classrooms was truly heartwarming for everyone to witness.

A very beautiful and vibrant atmosphere was felt throughout the entire school that day. Everywhere, there was only the chatter and

laughter of children. Everyone, including the teaching and non-teaching staff, joined in this festive mood. The spiritual beginning with the prayer, the formal assembly, and the subsequent fun-filled celebrations in the classrooms with the teddy bears all combined to create a very positive energy in the school.

The senior students of the school provided great support to the younger children on this first day. During the prayer time and the assembly, the senior children took special care to guide the younger ones and stand alongside them. This nurturing approach helped immensely in instilling a feeling of togetherness and security in the new children.

As the saying goes, "Well begun is half done." May the children be able to maintain this excitement—which started with a prayer and was filled with

laughter and play on this first day—in all the coming days as well. This wonderful atmosphere, coupled with the support from the teachers and the Principal, will surely make the new academic year a massive success. Wishing everyone all the very best for the new academic year!

A Glimpse of Heritage: The School Costume Competition

The week-long traditional costume competition held at Mother Theresa English Medium School concluded with vibrant and colorful displays. The event was organized with the aim of introducing India's rich cultural diversity and heritage to the children. Each day, students arrived in the unique traditional attires of different states, effectively turning the school campus into a 'Mini India.' More than just a competition, it turned out to be a grand cultural festival for students, teachers, and parents alike. The enthusiasm of the children and the excellent support from the parents made this event a resounding success.

Little Ones Echoing the Essence of Kerala and Karnataka

The visuals of the children dressed in the traditional attire of Kerala and Karnataka on the competition day are highly attractive. The simplicity and elegance of Kerala's traditional Kasavu attire beautifully shone through the children. While the boys came dressed in Kasavu mundu and white shirts, the girls graced the stage in beautiful Kasavu pattupavada (silk skirts) and bright silk sarees. The combination of white and gold gave them a uniquely graceful appearance.

On the other hand, the pride and royal heritage of Karnataka caught everyone's attention. Reminiscent of the Mysore dynasty and Karnataka's rich history, the boys wore the traditional 'Mysore Peta' (turban), royal sherwanis, and angavastrams, holding traditional swords in their hands. Alongside them, the girls dressed in colorful silk attire beautifully represented the unique cultural identity of Karnataka.

Heritage Alongside Learning: An Exemplary Cultural Week

For children who usually learn about the diverse states and cultures of India only through textbooks, the practical knowledge and experience gained from such events are immense. It helped them understand the history

and significance behind each traditional attire. The portraits of the children set against the backdrops of iconic heritage sites—such as the magnificent Mysore Palace and South Indian temples—beautifully capture the completeness of this cultural learning experience.

The group photos taken on the school stage showcase the confident and joyful smiles of the children. This program has truly helped the students take pride in India's cultural diversity and foster mutual respect for different traditions. Heartiest congratulations to the parents who beautifully dressed up their children, and to the Mother Theresa school management and teachers who successfully organized this wonderful cultural week!

The Karnataka Heritage

The legacy of Karnataka shines through its timeless art and culture."

ANDHRA PRADESH STYLE

Where the waves speak and the city meets the endless horizon of the Bay of Bengal.

Cultural Heritage and the Grandeur of Telangana

Continuing the traditional costume week celebrations at Mother Theresa CBSE School, students arrived in the unique attires of Andhra Pradesh, Telangana, and Odisha on the following days. In this event that reflects the country's cultural diversity, the costumes representing the history and heritage of Telangana were highly notable. The pictures of the children standing against the backdrop of Charminar, Golconda

Fort, and the Buddha statue beautifully represent the culture of Telangana. The boys wore dark blue sherwanis and kurtas with white pajamas, while the girls graced the stage in bright pink traditional sarees.

The Spirituality and Unique Culture of Odisha

The children who presented the costumes of Odisha brought its deep spirituality and rich culture to the stage. The pictures of the children set against the backdrop of Odisha's famous ancient temples are highly attractive. The boys dressed in a pure, rustic style, wearing white dhotis and kurtas, along with a traditional towel

(gamucha) draped over their heads and shoulders. The girls, on the other hand, arrived wearing traditional Odisha sarees in purple, pink, and green colors, adorned with traditional jewelry. In addition to this, girls dressed in black and red tribal-style clothing added further charm to the cultural diversity of Odisha.

The Elegance of Andhra Pradesh and a Colorful Conclusion

The next presentation showcased the essence of Andhra Pradesh, featuring backdrops of the Bay of Bengal shores, ancient temples, and the Lepakshi Nandi. The girls beautifully represented Andhra Pradesh by wearing exquisite silk sarees and traditional jewelry, including waist belts.

The joy evident on the children's faces in the group photos taken in the school courtyard clearly shows that this week-long celebration, based on the theme "Dressed in tradition, radiant with celebration," was a complete success. Through this cultural event, the school successfully

A Celebration of Heritage: The Grandeur of Maharashtra

The cultural essence of Western India came alive during the traditional costume week celebration at the school. The first presentation echoed the history and heritage of Maharashtra, set against the backdrop of the 'Gateway of India'—the iconic symbol of India's commercial capital, Mumbai—and the Arabian Sea. The children, dressed in the unique traditional attire of Maharashtra reflecting the bravery and legacy of the Maratha Empire, brought the full majesty of the land to the stage. Through a very simple yet elegant dressing style, this presentation showcased just how rich Maharashtra's culture truly is.

Iconic Monuments and the Cultural Diversity of Gujarat

Next to grace the stage were the spectacular sights of Gujarat. The backdrop, featuring Gujarat's pride—its ancient temples, Sardar Vallabhbhai Patel's 'Statue of Unity' (the tallest statue in the world), and the Asiatic lions of the Gir forests—beautifully depicted both the history and wildlife wealth of the state. Against the backdrop of this magnificent heritage, the children dressed in the traditional costumes of Gujarat captured the hearts of the audience. The art and tradition of Gujarat, a land of immense diversity, were brought to life on the school stage by the students.

Colorful Chaniya Cholis and the Dandiya Dance

The pictures of the girls dressed in Gujarati-style attire are incredibly attractive and colorful. The little ones arrived wearing exquisite 'Chaniya Cholis' featuring traditional embroidery work in bright yellow, red, green, and blue colors. The traditional jewelry worn on their heads and foreheads (Matha Patti), large nose rings, and arms full of bangles gave them a special charm. Holding colorful Dandiya sticks in their hands and striking graceful dance poses, the children literally brought the lively excitement of Navratri celebrations right into the school courtyard. Their innocent smiles and the absolute perfection of their costumes made this cultural week celebration shine even brighter.

The Royal Grandeur and Desert Charm of Rajasthan

The next presentation in the school's traditional costume week showcased the royal heritage of Rajasthan. Set against a backdrop filled with shimmering golden deserts, camels, and Chhatris (the epitome of Rajasthani architecture), the children's arrival was literally a visual treat. The girls arrived wearing exquisite red and yellow

Ghagra Cholis adorned with beautiful mirror work, along with Odhnis draped over their heads. Traditional jewelry like the Maang Tikka on their foreheads, large necklaces, and glass bangles completed their Rajasthani look. The image of a girl holding an earthen pot provided a perfect glimpse into the traditional rural life of Rajasthan.

PUNJAB STYLE

The Cultural Essence and Vibrancy of Punjab

When the vibrant costumes of Punjab took the stage against the backdrop of the famous Golden Temple in Amritsar, it became a beautiful new experience for the audience. The boys entered the stage wearing the traditional Kurta Pajama paired with ethnic waistcoats, reflecting the unique heritage of Punjab. Turbans in green, red, and white added a special majesty to their

appearance. The girls, dressed in beautiful magenta and cyan churidars with dupattas gracefully draped over their heads, represented the essence of Punjab perfectly. The pictures of the children holding swords and sporting twirled mustaches served as a proud reminder of Punjab's brave and martial legacy.

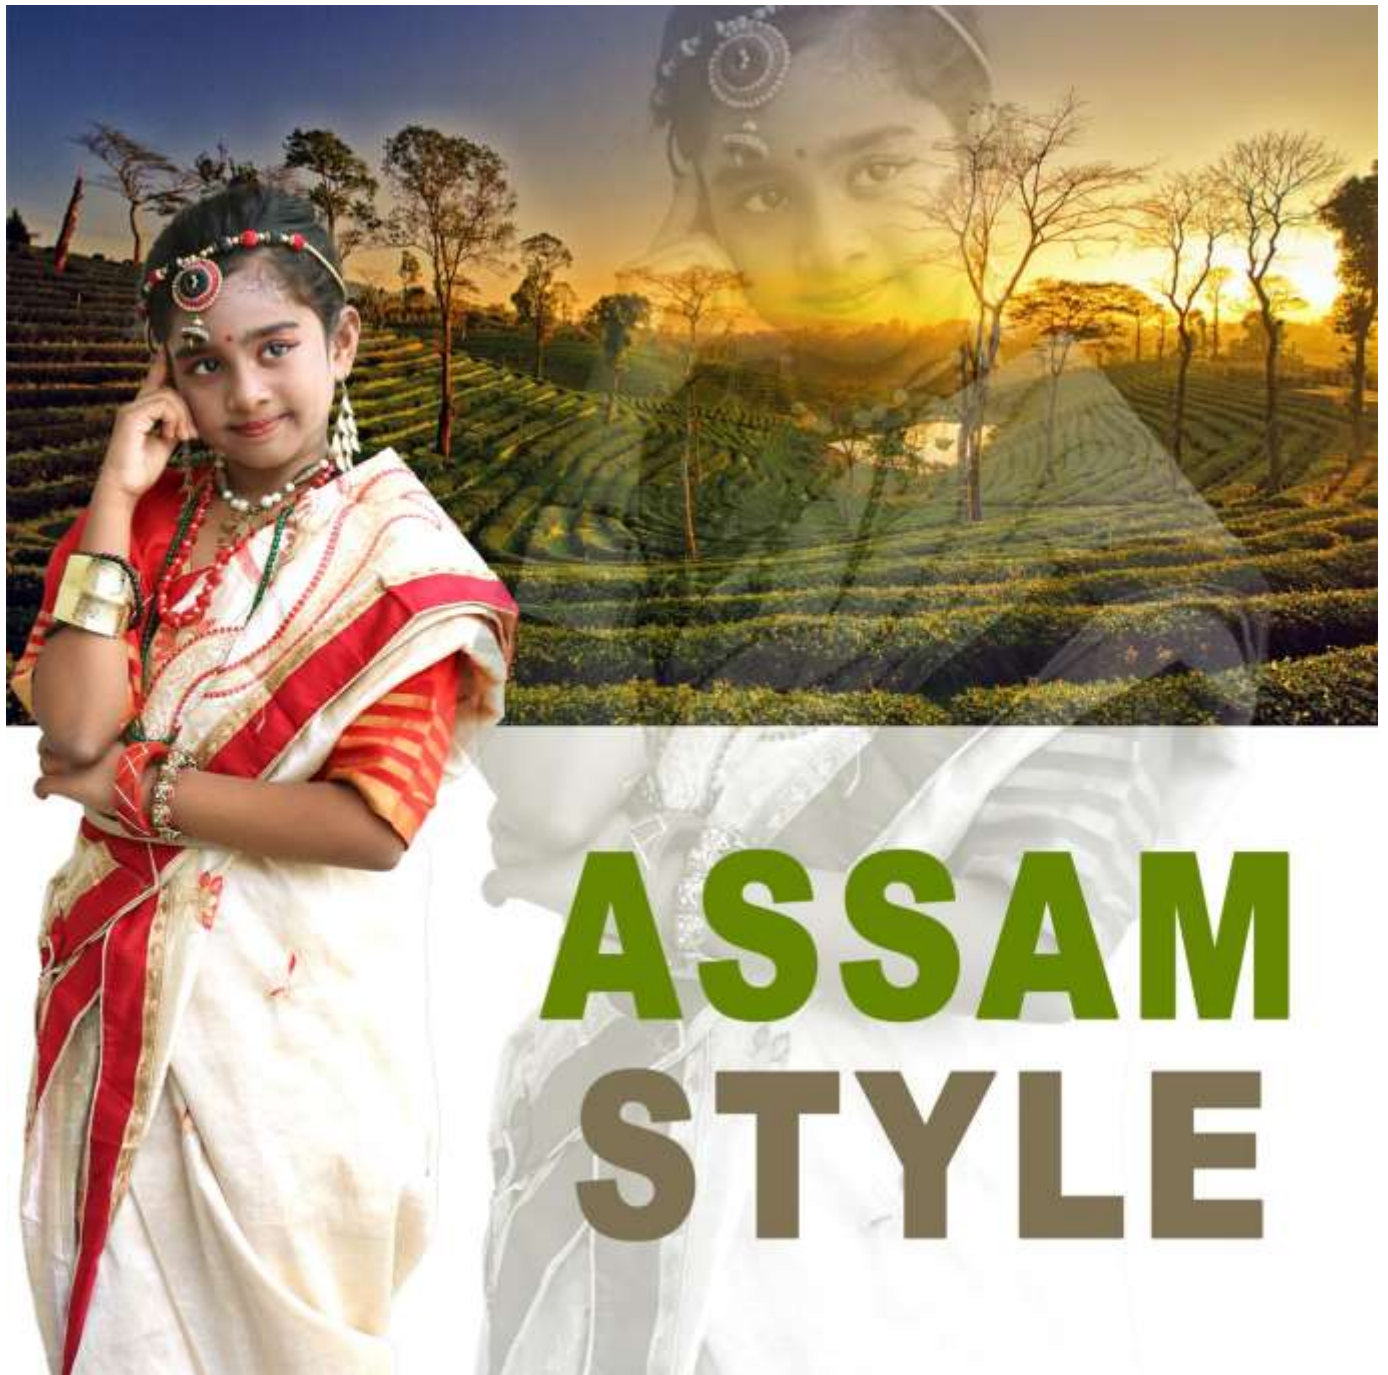

The Rich Heritage of Historic Haryana

The children presented the culture of Haryana against the backdrop of the famous bronze chariot of Kurukshetra, Brahma Sarovar, and other historical monuments. Haryana's dressing style is very simple yet distinctly unique. The picture of the boys wearing green and blue kurtas with white dhotis and turbans, holding colorful sticks in their hands, beautifully illustrates the agricultural and rural background of Haryana.

The girls, dressed in traditional-style sarees and jewelry, further enhanced the cultural diversity of the state. Through this cultural program, the school successfully presented the heritage and history of India's northwestern states to absolute perfection. Such celebrations are a great asset for the coming generations to truly understand and appreciate the cultural diversity of India.

The Essence of Assam Against the Backdrop of Tea Gardens

The cultural beauty of Eastern India graced the stage during the school's traditional costume week. First to arrive was the scenic and unique traditional attire of Assam. Against the backdrop of the vast tea gardens—which are the true identity of Assam—and a golden sunrise, the picture of the child captured the absolute beauty

of the land. The girl, dressed in a traditional Assamese-style red and white attire (Mekhela Sador) and adorned with special jewelry on her head and neck, captivated the audience. This simple yet highly attractive dressing style beautifully illustrates the cultural richness of Assam.

The Grandeur of Bengal, the Land of Art and Literature

Next on stage were the cultural visuals of West Bengal, the land of art and literature. Against the backdrop of ancient monuments and colonial architecture, the girl dressed in traditional Bengali attire caught everyone's attention. The pink saree, draped in the unique Bengali style

with pleats at the front (Aat Poure style), looked extremely beautiful. The traditional Bengali jewelry and long braided hair gave the girl a special grace. It was an excellent presentation that perfectly blended Bengal's unique heritage and colonial history.

BIHAR STYLE

The Elegance of Bihar Amidst Historical Monuments

The final visual in the presentation of the eastern states showcased the royal history of Bihar. The culture of Bihar was presented against the backdrop of the beautiful tomb of Sher Shah Suri in Sasaram. Standing in front of this important monument from medieval Indian history, the picture of the boy wearing a blue and white kurta and a jacket (waistcoat) featuring traditional prints looks highly majestic. Through this

program, students were able to closely understand the history, art, and dressing styles of India's eastern states. It is a moment of immense pride for the children who wore the costumes without losing the authentic essence of each state, and for the parents who dressed them so beautifully.

GOA STYLE

The Cheerful Style of Goa, the Land of Beaches

Next on stage during the school's traditional costume week was the cheerful and relaxed attire of Goa, the small state on India's western coast. The children arrived against the backdrop of Goa's biggest attraction—the beautiful beach and the setting sun. Reflecting the holiday mood of Goa, which is famous for tourism, the boy arrived in a cool look wearing shorts, a printed shirt, and a hat.

The girl, on the other hand, wore a simple t-shirt and jeans. This dressing style of Goa, which is quite different from other Indian states and closely aligned with Western fashion, was presented very simply and elegantly through these children.

The Traditional Kanchipuram Silk Sarees of Tamil Nadu

Following the modern style of Goa, the majestic traditional attires of Tamil Nadu, the cultural capital of South India, took the stage. The girls arrived wearing the pride of Tamil Nadu—the traditional Kanchipuram silk sarees. The heavy silk sarees in blue, green, maroon, and yellow colors, complete with golden borders (zari), showcased the rich weaving heritage of the state. Adorning

their hair with jasmine flowers and wearing large necklaces along with the traditional waist belt (Oddiyanam), the girls shined on stage with perfect Tamil authenticity. This attire was a beautiful reminder of the cultural heritage associated with weddings and festivals in Tamil Nadu.

Tamil Nadu's Colorful 'Pavada Davani' Style

In addition to the silk sarees, children also arrived wearing the 'Pavada Davani' (Half Saree), another major traditional attire for young girls in Tamil Nadu. A bright pink skirt (Pavada), a green blouse, and a Davani (Dupatta) draped over it like a half-saree gave the children a special charm. The picture of the child standing adorned with flower garlands around her neck and arms serves as a lovely reminder of the rural festivals and celebrations of Tamil Nadu.

Through this program, the children were able to beautifully present two different major dressing styles (the silk saree and the Pavada Davani) of the same state. It turned out to be an excellent experience in understanding the sheer cultural diversity of India.

The First Lessons of Democracy

The true goal of education is not merely acquiring knowledge from textbooks, but also molding good citizens. Keeping this goal in mind, the school parliament election for the academic year 2026-27 was held with great enthusiasm on June 20th at Mother Theresa CBSE School. This election was organized with the intention of providing students with a clear understanding of democratic processes right at the school level. Bringing the new generation into administrative leadership and cultivating a sense of responsibility and leadership qualities in them was the primary objective of this

election. This process, where children themselves vote and elect their leaders, will undoubtedly be a great asset in their future lives.

Election Announcement and Preparations

With the announcement of the election date during the school assembly, a festive atmosphere took over the campus. Great excitement was evident among the students from the moment the time was given to submit nomination papers for various positions. In addition to the key posts of Head Boy, Head Girl, Sports Captain, Cultural

Captain, and Discipline Captain, the school authorities made extensive preparations to elect the Captains and Vice-Captains for the school's

four main houses: Ignis, Terra, Ventus, and Aqua.

Thrilling Campaign Programs

Following the scrutiny of the nomination papers and the publication of the final candidate list, the election campaigns officially began. Candidates put up posters featuring their symbols and photographs around the school. During breaks, candidates met students directly to appeal for votes. Each candidate was given the opportunity to speak at the school assembly and present their visions. A very healthy competitive spirit was

Ballot papers were issued only after verifying the name of each student arriving to vote on the electoral roll. Strictly adhering to the secret ballot system, complete privacy was ensured for casting votes. To prevent fraudulent voting, there was also a procedure to apply special ink on the fingers of the students who had voted. The pictures of students proudly holding up their ink-marked fingers after casting their votes testify to the grand success of this election.

The Sports Captain plays a crucial role in selecting teams for upcoming sports meets and inter-school competitions, as well as providing them with necessary encouragement. Additionally, a Cultural Captain was elected through this process to coordinate the school's arts and cultural programs, while a Discipline Captain was chosen to ensure that discipline is maintained within the school.

House System: A Colorful Contest

The students in the school are divided into four main houses. Through their votes, the children elected the best captains to lead them. The Ignis House, a symbol of energy and enthusiasm, and the Terra House, a symbol of patience and stability, showed great zeal in electing their best leadership. Along with them, the Ventus House,

representing speed and freedom, and the Aqua House, a symbol of calmness and depth, are gearing up for further achievements in the new academic year under their new captains.

Participation of Teachers and Management

The role played by the teachers and other staff members of the school in making this election such a huge success is immense. The sight of teachers and management representatives voting alongside the students was another major highlight of this election. The teachers waiting in line at the polling booths to cast their votes provided great excitement and set an excellent example for the students.

Conclusion: Promises of the Future

The Mother Theresa School Parliament Election held on June 20th has become a strong foundation for molding the leaders of tomorrow. As the new leaders officially assume their responsibilities in the upcoming 'Investiture Ceremony', a new chapter of democracy will be written in the history of Mother Theresa School. This day successfully helped every student understand the value of a vote and an election.

CELEBRATING MINDS, HONOURING TALENT - INDIAN TALENT OLYMPIAD WINNERS 2025-26

The Indian Talent Olympiad winners of the 2025-26 academic year were honored at Mother Teresa CBSE School. A special prize distribution ceremony was organized at the school to felicitate these talents, upholding the theme 'Celebrating minds, Honouring Talent'.

School
Principal Dr.
David
Bercmans
and teacher
Elisa Ma'am
distributed
the
certificates
and medals
to the

students who delivered an outstanding performance in the Olympiad. These bright students made the school proud by proving their mettle in various subjects, including Science and Mathematics.

The school management and teachers extended their special congratulations to all the students who achieved this remarkable feat at the national level. The Principal added that the school has

always been providing excellent encouragement to students in both curricular and extracurricular activities, and this achievement will inspire them to secure even more glorious victories in the coming years. The ceremony was attended by many, including teachers, parents, and students

COLORFUL TRADITIONAL COSTUME COMPETITION IN OUR SCHOOL

A Unique Platform Showcasing India's Cultural Diversity

Recently, a highly beautiful and colorful Traditional Costume Program (competition) was organized in our school. Students graced the stage wearing the unique traditional attire from all the states of India. Their performance truly echoed the great Indian message of "Unity in Diversity."

Children participated in this event wearing the traditional clothing of all Indian states. They

meticulously selected costumes that captured the unique features of each state. From Kasavu garments and Pattu Pavadas to Kurtas, Pajamas, Lehengas, and Navari sarees, the students beautifully showcased attire that reflects India's unique cultural heritage and sartorial diversity.

More than just a fashion show, this was a competition that evaluated the students' personalities and their performance on stage. Along with the beauty and authenticity of the costumes, the judges carefully assessed the

students' 'attitude', presentation style, and confidence. The esteemed teachers of our school served as the judges. Since every student delivered an outstanding performance, selecting the winners was quite a challenging task for the teachers. However, they selected those who showcased the best costumes and the best attitude across various categories.

The prizes for the winners were distributed during a special assembly held at the school after the competition. Everyone from nursery toddlers to senior students in higher classes participated in this assembly with great enthusiasm. Prizes were awarded in separate categories for younger and older children. Additional special prizes were given to those

who most beautifully presented the attire of various Indian states and displayed the best attitude. This helped boost the students' confidence immensely.

The school Principal Dr. David Bercmans, Eliza Ma'am, Johna Ma'am, and Shyamala Ma'am led the prize distribution ceremony. Together, they handed out the trophies and certificates to the winners. In the speech that followed, the Principal Dr. David Bercmans specially congratulated the students. The Principal stated that such events help students understand the clothing styles and cultures of every state in India much better. Eliza Ma'am, Johna Ma'am, and Shyamala

Ma'am also showered praise on the students' performances.

This traditional costume competition became a massive success as a result of the collective efforts of the students and teachers. The unity in diversity presented through the clothing of various Indian states further enriches our school's cultural heritage. Without a doubt, this success will serve as a great inspiration for the school to organize similarly excellent events in the coming years.

STUDENT OF THE MONTH

We are proud to present our Student of the Month, a shining example of dedication, excellence, and leadership. This student has consistently demonstrated outstanding academic performance, a positive attitude, and a spirit of kindness and cooperation.

Throughout the year, he has excelled not only in the classroom but also in extracurricular activities, embodying the values of Mother Theresa CBSE School. His perseverance, creativity, and respect for others have made him a role model and an inspiration to his peers and teachers alike.

Congratulations to **Bhagyesh Shanmukh Reddy -Nursery** for this well-deserved recognition! Your hard work and commitment set the bar high for all of us. We look forward to watching you continue to achieve greatness.

BEST ASSEMBLY OF THE MONTH

Best Assembly of the Month –June- Theme: Responsibility

Presented by Grade - XII - THINKERS

Responsibility is one of the most valuable traits that shape an individual's character and contribute to a disciplined and successful life. This was

beautifully showcased in the morning assembly conducted by Grade- **XII - THINKERS**, earning them the title of Best Assembly of the Month.

With enthusiasm and confidence, the young students demonstrated the essence of responsibility through thought-provoking speeches, meaningful skits, and inspiring quotes. The assembly began with a prayer, followed by a thought for the day, setting the tone for an insightful session. A captivating role-play was performed, portraying how being responsible in daily life—whether at school, home, or in society—leads to positive outcomes. The children also recited poems and shared real-life examples, reinforcing the importance of taking ownership of one's actions.

The highlight of the assembly was a motivational song, encouraging everyone to embrace responsibility in all aspects of life. The energy, discipline, and teamwork displayed by the students truly reflected their understanding of the theme.

The assembly concluded with words of appreciation from the school administrators and teachers, commending the students for their outstanding performance. Their efforts not only secured them the Best Assembly of the Month title but also left a lasting impact on the audience, inspiring everyone to be more responsible in their daily lives.

Congratulations to Grade-XII - THINKERS** for their**

PARENT'S NOTE

I would like to express my heartfelt appreciation to the school leadership, respected Principal, and the committed teaching staff for their continuous efforts in nurturing and guiding our children.

The school provides a wonderful balance between academics and overall development, creating an environment where children feel encouraged to explore, learn, and grow. It is truly impressive to see how each child is given the opportunity to build confidence, develop skills, and express creativity in their own unique way.

The dedication of the teachers goes beyond textbooks, as they inspire curiosity, values, and a love for learning among students. The various activities and programs conducted by the school play a significant role in shaping well-rounded individuals.

As a parent, it gives me great satisfaction to see my child flourish in such a positive and motivating atmosphere. The school's consistent efforts in maintaining high standards while also focusing on personal growth are truly admirable.

I extend my sincere thanks to the entire school team for their hard work, care, and commitment towards our children's bright future.

With warm regards,

Parents of N Yeshika Reddy UKG- Innovators and N Vandith Reddy LKG

“ Not all of us can do great things. But we can do small things with great love.
