Subject – Green Day Celebration

Dear Parents,

Greetings to all!

“Live Green, Love Green, Be Green”

The color Green is the prime color of the world and that from which its loveliness arises. In order to infuse the concept of color Green to the wards. We are celebrating **GREEN COLOUR DAY** with the concept of Let's **"Save Our Environment"**.

It helps children learn about the color green, its significance in nature, and its association with growth, harmony and the environment.

So we are glad to inform you that Kindergarten team is celebrating Green day.

✍️📅🌱🌿 for Our Little tiny tots of classes (Nursery, LKG, UKG and Grade-1)
on 21-06-2025 (Saturday).

Students are encouraged to wear green attire and bring green items to school, such as toys, fruits or vegetables and green snacks in their lunchboxes. Additionally, they can bring saplings, as they are allowed to plant at the school premises.

Do co-operate, let's make this Green color day an amazing learning experience for the wards.

Warm regards,

S. Prasad
