(A Unit of Mother Theresa Institutions)

Lingapuram (V), Peddapanjani (M), Muthukur (P), Chittoor Dist., A.P.-517247

## ANNUAL REPORT – 2023-2024

### • Introduction:

I am delighted to present the Annual Report for the academic year 2023-2024. This year has been marked by exceptional achievements and significant progress across all academic domains at our institution.

### • Academic Progress:

This year, our school saw unprecedented academic success, highlighted by a significant rise in student GPAs and standardized test scores, alongside a historic number of School acceptances. Students benefited from a rich array of enrichment programs, exploring diverse interests through Music, Arts, Humanities, and gained broader perspectives from guest lectures and field trips.

We prioritized student well-being, offering extensive support services to ensure a nurturing environment. As we look to the future, our focus remains on educational excellence and innovation, ready to meet evolving student needs with the continued support of our dedicated faculty and vibrant school community.

Our school consistently maintained a high academic standard, and this year is no exception. We have continued the foundation course of **IIT** and **NEET** for the children of grade **VI – IX**. We have introduced a special communicative trainer to improve and fine tune the language skills of our children.

### • CBSE Activities

The children of our school participated and received appreciation in special initiatives and programs by the CBSE such as CBSE Expression Series : G – 20 India's Vision for a harmonious World, Aryabhata Ganit Challenge, Project Veer Gatha Edition - 3.0 along with Chandrayaan – 3 Maha Quiz.

“One Child, One Plant” campaign a heartfelt initiative fostered a deep connection between students and the environment. National Unity Day and National Youth Day were celebrated by the students as an endeavour to solidify the bond of oneness and unification, to spread the message of preserving the unity, integrity, and security of the nation.

### Pariksha Pe Charcha:

Our school teachers and students participated in Pariksha Pe Charcha; Which is an initiative launched by the Government of India, Where the Prime Minister interacts with students, teachers and parents to discuss various aspect of exams, stress, and overall wellbeing. The enthusiasm of Pariksha Pe Charcha reflects their commitment to academic excellence and their desire to contribute to the education discourse.

Special appreciation to **Tejal. V** from **grade IX** for participating in various programs organised by Ministry of Textiles, Department of Justice, Ministry of Roads & Highways, National Jal Jeevan Mission, Department of Drinking water and Sanitation, Archaeological Survey of India in collaboration with CBSE.

### • Competitive Exams

#### National Level Science Quiz -

I am proud to announce that **Jhanavi .L** from Grade –IV has secured 2nd Prize in National Level Science Quiz Competition organized by NLP held on August 2023.

## IFSE's Global English Talent Test -

On 11th October, 2023, within the premises of our school, IFSE successfully conducted the Global English Talent Test for the academic year 2023/24. This renowned test by IFSE serves as an excellent preparation for achieving commendable scores in both TOEFL and IELTS examinations. A total of 65 students spanning across Class V to IX enthusiastically participated in this language proficiency examination.

**Likith M**, from Grade VIII won the Merit certificate at the national level.

## Prathibha Academy National Math and Science Olympiad

The Prathibha Academy National Math and Science Olympiad was conducted in our school on December 26 and 27 with the aim of preparing students for future competitive level examinations. The event saw the active participation of 33 students from grade 6 to 9.

Congratulations to **Neha .M** from **Grade-VI** and **Mohan Krishna B** from **Grade-VII** for their outstanding achievements in the Prathibha Academy National Math and Science Olympiad. Your dedication and success are truly commendable, showcasing the remarkable potential within our student community. Keep up the excellent work, and may your passion for learning continue to shine brightly.

## National Education and Human Resource Development Organization

In collaboration with the National Education and Human Resource Development Organization, Mother Theresa School successfully conducted an engaging art competition, aligning with the Swachh Bharat initiative. A total of 71 students actively participated. Out of these, four students were selected as school-level winners and will advance to the state level. The winners are **Sahaja K, Laksha.G** from **Grade-VII**, and **Tejal.V** from **Grade-IX** and **Deekshitha.G** from **Grade VI**

## Science Olympiad Foundation:

Mother Theresa students have shown their strength in the National Science Olympiad. 26 enthusiastic students from class five to nine participated in the exams conducted by the Science Olympiad Foundation. **Vaishnavi. M** from **grade VII** and **Sarath Babu.P** from **Grade-VI** won gold medals.

## English Masters Challenge -

We are thrilled to extend our warmest congratulations to the winners of the English Masters' Challenge! The students' dedication, skill, and passion for the English language have truly shone through, making them stand out among a pool of 2500 talented participants of the country.

The school students have grabbed National Wise Ranks

<b>IX -</b>	<b>Thanuja-M</b>	<b>110</b>	<b>VIII -</b>	<b>Hasya -A</b>	<b>135</b>
<b>VIII-</b>	<b>Likith -M</b>	<b>173</b>	<b>IX -</b>	<b>Likisha-Y.V</b>	<b>196</b>
<b>IX -</b>	<b>Tejal -V</b>	<b>218</b>	<b>IX -</b>	<b>Jaswanth-B</b>	<b>235</b>

Congratulations to all.

## Math's Olympiad details:

In the month of December, Science Olympiad Foundation organized an international Mathematics Olympiad. Nineteen Students from Our school had participated. The following are the gold medal winners. **Pavan Balaji.S** from **Grade VI**, **Vennela.R, Jhanavi.B** and **Sahaja. K** from **Grade-VII**.

## • School Awards & Achievements

### Brain feed School Excellence Awards -

The esteemed Brain feed School Excellence Award, is bestowed to schools since 2013. Mother Theresa School has been selected for this prestigious award for the year 2023-24 powered by Brain feed Magazine. The jury of Brain feed Magazine has meticulously selected 500 schools from different states for the awards. Mother Theresa School is one of the schools to receive this award.

**Global Education Conclave** Award is the most acclaimed accolade in education. It highlights & recognizes the quality and diversity of the educational establishments globally who have achieved excellence by their significant contributions towards the education sector. The award is a certification of the positive initiatives & contributions of these institutions towards building up a nation with a strong and an open education system where knowledge is accessible to all. Mother Theresa School has been awarded as '**Best Infrastructure School**' by Global Education Conclave 2023.

- **Academic Uniqueness**

### **Field trip to ISRO –**

Visiting **ISRO (Indian Space Research Organization)** is an excellent opportunity for students to explore the world of space research and science. ISRO is renowned for its achievements in space exploration and satellite technology. During their visit, students had the chance to witness various aspects of space research, such as satellite design, rocket launches and mission control centres.

Congratulations to **Balaji Chowdary** of **grade VII** for receiving appreciation certificate for his successful accomplishment of ISRO Missions Workshop conducted by ISRO Magica Space tech Pvt. Ltd.

### **Awareness Program on Wild life and Conservation**

We are excited to share a significant milestone from the past year: a captivating awareness program conducted by the Andhra Pradesh Forest Department, focusing on wildlife and conservation, for our students! Led by passionate conservationists and wildlife experts, this program provided our students with a unique opportunity to delve into the fascinating world of wildlife and learn about the importance of conservation efforts in preserving our natural heritage.

### **School @ Super Market**

Our Grade I students embarked on a fascinating journey to explore the ins and outs of the Reliance supermarket! Accompanied by their teachers, our curious young learners had the incredible opportunity to step into the vibrant world of grocery shopping. From identifying various fruits and vegetables to learning about different food items and household products, this hands-on experience was both educational and enriching.

### **Students visit to Police Station**

An educational visit where our Grade II students had the privilege to explore the workings of a local police station in Panjani! Accompanied by their teachers, our young learners embarked on a fascinating journey to learn about the vital role of law enforcement in our community. During their visit, our students had the opportunity to interact with dedicated police officers, learn about their daily responsibilities, and gain insights into the importance of safety and security.

### **Students visit to Post office –**

A captivating visit to the post office for our students! During the visit, Grade-III students learnt about the history of postal services, understand the various functions of a post office, and gain practical insights into mail sorting and delivery processes. From witnessing postal workers in action to exploring postage stamps and mailboxes, this hands-on experience was both educational and engaging.

### **Hospital visit:**

Students of grade IV were guided on a comprehensive tour of the hospital where they had an opportunity to observe medical professional in action and learn about the various health care services provided. It was a meaningful visit to promote educational experience of empathy and understand social responsibility.

### **Students visit to Axis Bank –**

A guided visit to the bank for our students! Grade-V Students had the wonderful opportunity to step into the world of finance and banking, gaining first-hand knowledge about various banking services and operations. During the visit, our students were introduced to the essential functions of a bank, including depositing, and withdrawing money, understanding the importance of savings accounts, and learning about basic financial transactions.

### **ANVESHA:**

The science exhibition of ' Anvesha ' organized by Mother Theresa Engineering College provided students with an enriching opportunity to explore and engage with various scientific concepts,

innovations, and advancements. The exhibition aimed to stimulate curiosity, foster scientific inquiry, and inspire a passion for learning among students.

### **Club Activities:**

The club activities at the School, organized under the CBSE curriculum, from **3:05PM to 4:15PM** daily have played a pivotal role in enriching students' learning experiences, fostering creativity, and promoting holistic development.

These Literary and Sports clubs provide students with opportunities to explore diverse interests, develop essential skills, and engage in extracurricular pursuits beyond the traditional academic curriculum.

- **Workshops and Training:**

### **Science in Life - Orientation Program -**

We believe in holistic development of our students. Thus, a workshop was conducted on, **Science in Life** by "**Young Scientist**" **Dr. K. Pavan**. It was an enriching experience for all of us. MTS believes in togetherness leads to success.

### **Art Workshop:**

We are thrilled to share a sneak peak of Art workshop guided by Miss: Pranavi, Who graduated from school of Art Institute of Chicago. It enhanced artistic skills of our students. This has enabled them to learn diverse forms of Art.

### **CBSE Training for Teachers –**

Our teachers have successfully completed the CBSE training on Financial Literacy and Use of Digital Tools. In an ever-evolving digital landscape, it is crucial to equip ourselves with the knowledge and skills necessary to navigate financial matters and leverage digital tools effectively. Through this training initiative, our team has demonstrated a commitment to personal and professional growth, ensuring that we stay ahead in today's dynamic world.

### **Parent Orientation Program & Parent – Teacher Meeting (PTM) -**

We believe that a strong partnership between parents and teachers is essential for child's holistic development. This year, we have conducted one "**Parent Orientation Program**" & six **Parent - Teacher Meeting** to discuss student's progress and address their concerns. We would like to express our gratitude to all parents, teachers, and staff who have contributed to the success of our school.

- **Events and Celebrations:**

### **Investiture Ceremony -**

We had organized Investiture Ceremony in the month of July. The school cabinet and the house prefects had taken the oath to serve the school and students in an effective manner. 16 School council members took the oath to serve the school and fellow students sincerely.

### **Grand Parents Day Celebrations:**

It was a heart-warming event that brought honour and appreciation on the role that grandparents play in the lives of students. Various cultural performances were added to bring vibrancy and entertainment to the event. The grandparents of Kindergarten had an enriching and entertaining day.

### **Annual Sports Meet:**

The Annual Sports Meet at School was a memorable event that exemplified the spirit of athleticism, sportsmanship, and community engagement. It provided students with a platform to showcase their talents, build teamwork skills, and foster healthy competition in a supportive and inclusive environment. The success of the sports day was a testament to the dedication of teachers, the enthusiasm of participants, and the collective spirit of unity and sportsmanship within the school community. Ventus house was the overall champion, and Terra house was the runner up.

## Inter House Activities:

The Inter-House Literary and Sports Competition on every Wednesday and Saturday were a resounding success, highlighting the diverse talents and intellectual abilities of students. The competitions not only provided a platform for students to showcase their literary skills but also fostered a love for language, communication, and creative expression. The event promoted healthy competition, collaboration, among students, reinforcing the importance of literary appreciation and communication skills in personal and academic development.

## Celebrations -

To keep up this togetherness we celebrate all the festivals in a meaningful way. We celebrated all the national festivals like Independence Day, Republic Day, Teacher's Day, Children's Day Doctors Day, and Science Day. We also celebrated festivals like Rakhsha bhandhan, Vinayaka chaturthi, Dussehra, Diwali, Christmas and Sankranti. Through these celebrations we instil a sense of awareness as well as likeness towards these festivals.

## Kindergarten Activities:

The diverse range of activities such as Pink Day, Green and Blue Days along with Family tree, Clay Moulding, Vegetable Painting, Doll making conducted in the kindergarten setting encompassed various domains of early childhood development to foster imagination, promoting creativity, develop fine motor skills and facilitating expression thereby providing a well-rounded and stimulating learning environment that caters to the holistic development of the child.

### • Infrastructure

We have launched the music studio during this academic session. This was an initiative taken by the management to provide a platform for all our children to fine tune their music skills.

We have also seen a marked improvement in our students' performance in co-curricular activities. Our students have participated in various inter-school, state competitions and have won several awards.

This year, we have invested in upgrading our infrastructure to provide our students with the best possible facilities. The construction of senior block is almost over. We have upgraded our **Music Studio, Auditorium and Play Grounds.**

### • Sports

#### South Zone –

- 22 of our students participated in the CBSE Cluster Handball Tournament held at Sree Gokul Public School, Chengalpattu District, and Tamilnadu.

Our students have participated in the inter-state karate championship held at **Gauribidanur, in Karnataka** and grabbed the overall championship with the tally of **14 Gold, 12 Silver and 24 Bronze**.

#### **Mumbai – (International Karate Championship)**

Our Children had participated in the **International Karate Championship** held in Mumbai. **Hemesh M and Yadunath Sai** won Silver Medal and **Likith Sai K** won a Bronze medal.

- **Music**

#### **Mahakarya Music Competitions -**

Mother Teresa students performed best in Mahakarya music competitions held at BT College, Madanapalle. In this program where about 270 students from various schools and colleges participated. Twenty seven participants from grade 1 to 9 participated in these competitions on behalf of Mother Teresa School and bagged **05 - first prizes, 06-second prizes, 05- third prizes**, in junior and sub junior categories.

#### **Balostav Competitions -**

We are thrilled to share the excitement and pride that filled the air during our recent event Balotsav Cultural Competitions held in Palamaner. Many students from various schools and colleges had participated in the competitions. Mother Theresa school students from grade One to Nine participated and showcased their incredible talents and **bagged 6 first Prizes, 4 second Prizes, and 3 third prizes** in sub-junior, junior, and senior categories of the competitions.

Overall, the past year has been another successful year for us. We have committed to provide a challenging and nurturing learning environment that has enabled our students to achieve outstanding academic results and develop into responsible global citizens.

We remain committed to our mission of providing a quality education that prepare our students for success in the globalized world, and we look forward to another exciting year ahead.

Signing Off,

**Dr. S. Bercmans David.**

**Principal.**
